

# Central Alabama WINGS Safety Seminar

Come join us for a discussion with Montgomery ATC regarding Military Training Routes and their effect on our Practice Areas, then the importance of VFR squawk for all aircraft not using radar services.

These topics will be followed by Negative Radar Arrivals to Montgomery.

**Directions:** From I-65, take Exit 181 Hwy 14 East. Drive 6 miles, the airport will be on the right. From 231, take Hwy 14 West. Drive approximately 8 miles, the airport will be on the left. The Air Evac Hangar is east of the terminal building.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
